Arborfield School Information Bulletin

Principal's Message

Hello Arborfield School Community,

When I sat down to write my principal's message I almost said what a great first month of school we have had, only to realize we are now into November. While the year is moving fast, we are making progress each and every day and look forward to our continued growth as we enter term 2. With trips to Star City and Love Land and in school activities as well in October, November is a great time to slow down and really get to work in preparation for the craziness that is December.

Just a reminder to families of two things. Firstly, we are noticing many of our students not dressed properly for the changing weather throughout the day. Colder weather is coming but many students are not coming with hats, mitts, or a light jacket and students are wanting to wear t shirts outside when it is not appropriate to do so. Please make sure your children have proper clothing and are ready for recess. If you need help with providing items for your child, please do not hesitate to reach out. As well, a reminder that we are a scent free school. There has been an increase in the amount of students coming to school smelling of strong fragrance. This can trigger allergic reactions so we ask that you monitor what soaps, shampoos and body sprays you and or your child buys. Thank you for your understanding in this matter.

We want to wish our junior girls volleyball team the best of luck at NESSAC this week. Thank you to Ms. Delorme and Ms. Lafreniere for all their hard work in coaching. Thank you as well to the parents who have helped us in driving the team to their various games. Our next sport will be 3 on 3 basketball which will start in December, so we look forward to being able to offer this to our grade 7-12 students.

With report cards coming out in a couple weeks, please remember to regularly check Edsby to know where your child is currently at with their learning. If you have any questions or concerns about your child's grades, please reach out to the teacher and discuss with them.

Let's have a great November!

Yours in Education,

Patrick Smoke
